NOTICE OF RESOLUTION TO DISCLOSE INVESTIGATIVE RECORDS

Draft Resolution L-329 authorizes disclosure of Consumer Protection and Safety Division (Rail Transit and Crossings Safety Branch) records pursuant to a subpoena by National Railroad Corporation (also known as Amtrak). The subpoena seeks disclosure of all Commission documents relating to a private railroad crossing (U.S. Department of Transportation number 751707C) in the City of Crockett (Contra Costa County, CA). The Commission's documents include staff investigative records relating to a fatal accident at the railroad crossing on May 31, 2003, in which the vehicle of Mr. and Mrs. Bennie Murillo was struck by an Amtrak train.

Draft Resolution L-329 will be on the agenda at the Commission's April 13, 2006, meeting. The Commission may then vote on the resolution or it may postpone a vote until later.

On March 13, 2006, the draft resolution was circulated to the requesting parties and the party of the subpoena's service list, pursuant to Public Utilities Code Section 311(g) and Rules 77.7 and 81 of the Commission's Rules of Practice and Procedure (Commission's Rules). Section 311 (g)(3) and

Rule 77.7 (f)(7) of the Commission's Rules provide that the Commission may reduce or waive the period for public review and comment regarding decisions authorizing disclosure of documents in the Commission's possession when such disclosure is pursuant to subpoena. To permit a timely response to this subpoena for investigation records, the comment period on the draft resolution has been waived in accordance with the Commission's Rules.

4/3/06 R04-01-025 Order Instituting Rulemaking to establish policies and rules to ensure reliable, long-term supplies of Natural Gas to California.

Summary: On March 30, 2006, Marzia Zafar, CPUC Relations Manager for Southern California Gas Company (SoCalGas) and San Diego Gas & Electric Company (SDG&E), had a telephone conversation with Rami Kahlon, advisor to Cmmr. Peevey, in San Francisco. In response to Santa Clara Air Quality Management District's proposal, Zafar stated that the potential NOx emission increase due to the use of LNG-derived natural gas would be less than 0.11 percent of total SCAB emissions and the air quality impact would be expected to be negligible. Zafar stated that setting an artificially low Wobbe Number is not a cost effective way to address the potential change in emissions. Zafar urged the Commission not to jeopardize the availability of existing supplies by imposing unnecessary and overly restrictive gas quality specifications.

Summary: On March 29, 2006, Richard Clark, Director of the Consumer Protection and Safety Division met with Robert Lane, advisor to Cmmr. Bohn, in San Francisco. Clark voiced his belief that the failure of an Applicant to disclose a past investigation and past sanction, even if inadvertent, constitutes a Rule 1 violation that should be addressed by the Commission. Order Instituting Rulemaking to integrate procurement policies and consider long-term procurement plans.

Summary: On March 30, 2006, Alvin S. Pak, Director of State Regulatory Affairs for Sempra Global (Global), met with Belinda Gatti, advisor to Cmmr. Brown, Nancy Ryan, advisor to Cmmr. Peevey, and Steven St. Marie, advisor to Cmmr. Bohn, in three separate meetings in San Francisco. Also present was Thomas Corr, Manager of State Regulatory Policy for Global. The representatives of Global discussed the proposal of Southern California Edison Company, Pacific Gas and Electric Company, NRG Energy, Inc., AES Corporation and The Utility Reform Network set forth in a pleading dated March 7, 2006. The representatives of Global indicated that the proposal was not necessary, because any long-term procurement required to meet a resource need arising in the 2008 time frame could be accomplished under the existing long-term resource procurement policies. The Global representatives asserted that if the Commission feels the need to pursue an interim solution, then any cost allocation regime should not be perpetuated over a period longer than necessary.
